

2026 PARA-CYCLING ROAD WORLD CHAMPIONSHIPS

HUNTSVILLE-ALABAMA
USA

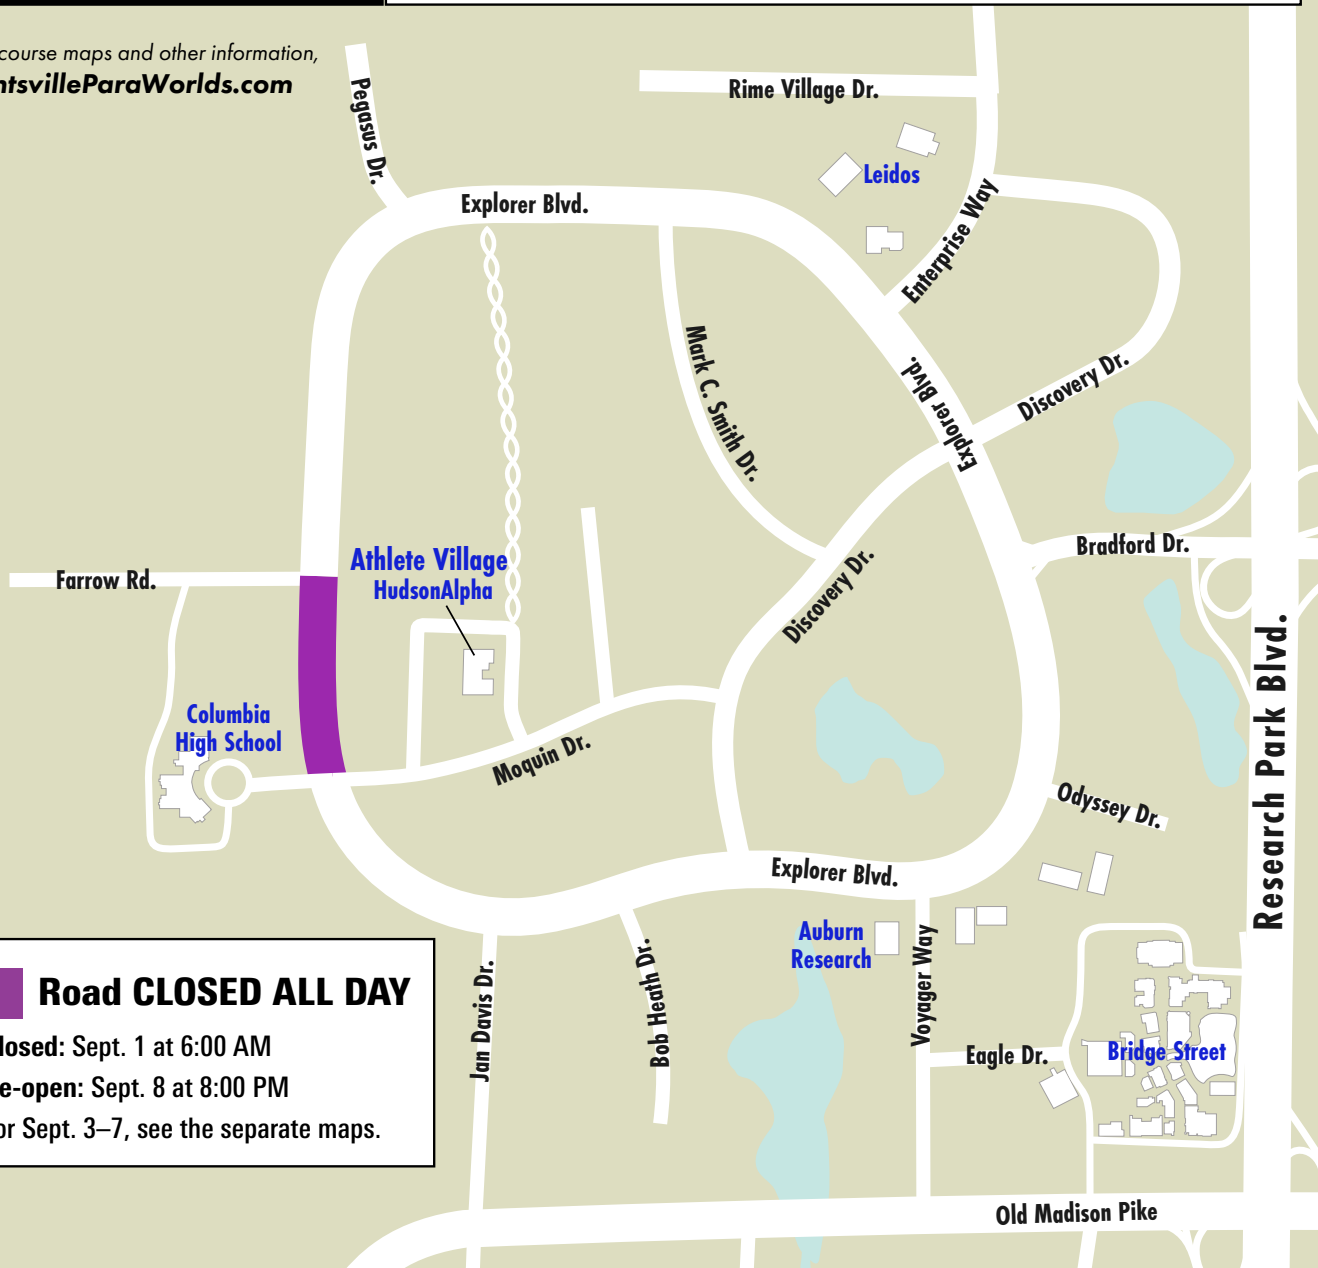

On behalf of the Huntsville/Madison County Chamber of Commerce and the 2026 UCI Para-cycling Road World Championships, we are excited to welcome athletes, coaches, officials, and spectators from around the world to Huntsville this September. As the event approaches, we would like to ask for your assistance in keeping residents informed about increased bicycle activity and road closures in and around Cummings Research Park West (CRP West).

Beginning around August 25, 2026, international teams and their staff will arrive in Huntsville, resulting in increased cycling traffic and activity throughout the area. We encourage residents to be kind, exercise caution while driving/walking/riding, and be mindful of pedestrians, cyclists, team vehicles, and event-related traffic.
